Taylor Hollow – Larkspur Conservancy

Adoxaceae

Viburnum rufidulum (black haw)

Agavaceae

Camassia scilloides (wild hyacinth)

Alliaceae

Allium burdickii (wild leek)

Annonaceae

Asimina triloba (pawpaw)

Apiaceae

Erigenia bulbosa (harbinger of spring, pepper and salt)

Araceae

Arisaema triphylla (Jack-in-the-pulpit)

Aristolochiaceae

Asarum canadense

Aspleniaceae

Asplenium platyneuron (ebony spleenwort)

Asplenium rhizophyllum (walking fern)

Asteraceae

Nabalus crepidineus (nodding rattlesnake root)

Smallanthus uvedalius (bear's foot, hairy leafcup)

Berberidaceae

Jeffersonia diphylla (twinleaf)

Boraginaceae

Lithospermum latifolium vs. *tuberosum*

Mertensia virginica (Virginia bluebells)

Myosotis verna vs. *macrosperma*

Brassicaceae

Dentaria diphylla (crinkleroot)

Dentaria heterophylla (slender toothwort)

Dentaria laciniata (cutleaf toothwort)

Dentaria multifida (forkleaf toothwort)

Yellow mustard

Buxaceae

Pachysandra procumbens (Allegheny spurge)

Caprifoliaceae

Symphoricarpos orbicularis (coralberry)

Cornaceae

Cornus alternifolia (alternate leaf dogwood)

Cornus florida (flowering dogwood)

Cyperaceae

Carex blanda (eastern woodland sedge)

Ericaceae

Vaccinium sp.

Euphorbiaceae

Euphorbia commutata (tinted woodland spurge)

Gentianaceae

Frasera caroliniensis (American columbo)

Obolaria virginica (Virginia pennywort)

Hydrophyllaceae

Phacelia bipinnatifida (purple phacelia)

Phacelia purshii (Miami mist)

Lamiaceae

Lamium purpureum (dead nettle)

Synandra hispidula (Guyandotte beauty)

Lauraceae

Lindera benzoin (spicebush)

Liliaceae

Erythronium americanum (yellow trout-lily)

Melanthiaceae

Trillium cuneatum (little sweet Betsy)

Trillium flexipes (white trillium, bent trillium)

Trillium sessile (sessile trillium)

Orchidaceae

Aplectrum hyemale (puttyroot orchid, Adam and Eve orchid)

Oxalidaceae

Oxalis grandis (great yellow wood sorrel)

Papaveraceae

Corydalis flavula (yellow fumewort)

Dicentra canadensis (squirrel corn)

Dicentra cucullaria (dutchman's breeches)

Sanguinaria canadensis (bloodroot)
Stylophorum diphyllum (celandine poppy)

Plantaginaceae

Collinsia verna (blue-eyed Mary)

Poaceae

Arundinaria gigantea (giant or river cane)

Polemoniaceae

Phlox divaricata (wild blue phlox)

Phlox pilosa (downy phlox)

Polemonium reptans (Greek valerian, Jacob's ladder)

Primulaceae

Primula (Dodecatheon) meadia (shooting star)

Ranunculaceae

Delphinium tricornis (dwarf larkspur) purple and lavender flowered forms

Enemion biternatum (false rue anemone)

Hepatica acutiloba (liverleaf)

Hydrastis canadensis (goldenseal)

Ranunculus recurvatus (hooked buttercup)

Thalictrum thalictroides (rue anemone)

Sapindaceae

Acer negundo (box elder)

Saxifragaceae

Micranthes virginiana (early saxifrage)

Staphyleaceae

Staphylea trifolia (American bladdernut)

Thymelaeaceae

Dirca palustris (leatherwood)

Violaceae

Viola canadensis (Canada violet)

Viola pubescens (downy yellow violet)

Viola sororia (common blue violet)

Viola striata (creamy white violet)

Woodsiaceae

Cystopteris protrusa (southern fragile fern)
