

Nature Journaling

"Love of the natural world is the spring that waters commitment to stewardship."
 —John Muir Laws

Blade = apex to base (excludes petiole)

blade =

margin (edge)

Sinus

lobe

veins extend past margin

Quercus velutina Black oak

base

midrib

petiole

Why journal?
 • Helps you organize thoughts
 • Piece together answers
 • Ask vicher questions

- Tools
- words
 - Images
 - Numbers

- To Deepen Observations:
- I notice
 - I wonder
 - This reminds me
